Dear Dr Lazerges,

This letter refers to the PRODEX Project Proposal entitled *Self-assembly of hierarchical catalysts and adsorbent materials from Ordered Liquid Phases (OLPs)*, which has been sent to you by electronic mail. Prof. Dr Christine Kirschhock of *Katholieke Universiteit Leuven (KUL)* has introduced this Proposal as BPI in support to the AO-2004-027 Project selected by ESA as experiments to be performed on board the ISS.

According to Art. 4.1 of the PRODEX Implementing Rules, and following the approval by ESA of the abovementioned PRODEX Project Proposal, we inform you hereby of our agreement to allocate to this Proposal the following budgets, in line with the enclosed Financial Plans (dated 17/12/2011):

- Prof. Dr Ch. Kirschhock, KUL, BPI: 475 945 EUR for the period from 01/01/2012 till 31/12/2013;
- Prof. Dr P. Gaspard, ULB, Bco-I: 110 118 EUR for the period from 01/01/2012 till 31/12/2013;
- Prof. Dr V. Van Speybroeck, UG, Bco-I: 58 800 EUR for the period from 01/01/2012 till 31/12/2013.

We would like to ask you therefore to initiate the necessary negotiations with KUL, ULB and UG to extend the running implementing arrangements 4200090229, 4200090241 and 4200090364 as provided for by Art. 2 of the PRODEX Implementing Rules.

The total budget of the Proposal covers the period from 01/01/2012 till 31/12/2014 for an amount of 907 623 EUR. However, we intend to renegotiate in 2013 the support to this Project beyond 2013 to fit in the new PRODEX-10 envelope.
